FL30D

Blue color steel /
plastic housing
brass internals

Application

- pressure measurement of liquid media that do not clog connection ports, or corrode copper alloy
- refrigeration equipment and refrigeration recovery equipment

Basic description

- **Blue color steel (FLs30D), or plastic (FLp30D)** housing for easy identification
- **socket restrictor**
- **aluminium pointer**
- **snap-in polycarbonate (PC) lens**
- **aluminium multicoloured dial face**
- **flutterless movement**
- **sealing types: NPT, BSPP, and BSPT**
- **recalibration screw on dial face**
- **custom designs are available upon request**
- **brass internals, socket, and connector**

Standard features

Optional features
